Brackwater Depot Handbook

Site overview

The Brackwater depot is managed by Mateo Everhart. It has 24 loading dock doors and parking for 41 trailers.

The depot is open from 05:00 to 21:00 on weekdays. Weekend dispatch runs with a reduced crew.

Storage

The depot has a temperature-controlled area with a capacity of 250 pallets.

Dangerous goods are not accepted unless the shipment was pre-approved by the Safety Office.

Emergency contacts

In an emergency call the duty manager on extension 4012. The nearest muster point is the north car park.
